

Prayer Calendar November 2024

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	
<p>Within the first few days of November the die will be cast for the next four years for this American Republic form of government. No matter which way the vote goes nationally, there will be people calling "foul" because their side did not win. The question is, will Satan have sown so much hostility among Americans by then that our country will degenerate into another civil war--only this time it will be between the moral and the immoral? This means neighborhoods could become battlegrounds between neighbors.</p>				 <p style="text-align: center; font-size: small;">VETERANS DAY THANK YOU FOR YOUR SERVICE</p>		<div style="border: 1px solid black; padding: 2px; width: 20px; margin: 0 auto;">1</div> <p>Did you vote early? <p>and communities could be torn apart by competing factions. As the world watches our nation going through such a demonic crucible, will we as the Church rise up and allow God to use us as a conduit to funnel His love to both sides? Above all else we need to remember that ". . . we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places (Eph. 6:12 ESV)." I apologize that I can only offer questions. Perhaps we need to add fasting to our prayers as we engage the enemy this month.</p>
