LORD, You have been our dwelling place in all generations. Before the mountains were brought forth, or ever You had formed the earth and the world, from everlasting to everlasting You are God. You return man to dust and say, "Return, O children of man!" For a thousand years in Your sight are but as yesterday when it is past, or as a watch in the night . . . So teach us to number our days that we may get a heart of wisdom . . . Let the favor of the Lord our God be upon us, and establish the work of our hands upon us; yes, establish the work of our hands (Psalm 90 ESV)! I know I've written about this Prayer of Moses before, but I like to start each year focusing on the reality that our time on earth is limited--and the older I get, the more I realize my mortality; which is why I pray for God to give my hands work that will positively impact His kingdom. We have a very limited window of opportunity to serve God and make a difference in this world, just as the Republican Congress has a narrow window of opportunity to right the course of our out of control
